OBJECTIVE & COMMUNICATION

Willing to Do, Able to Do, willing to do drive me be able to do!

I am Dan Lee, newly immigration with my family (wife and 3 children) to UK from Hong Kong in July 2021 I am studying Web Development Bootcamp at The Developer Academy, Sheffield. It provides me an opportunity to practice my web design skills such as HTML, CSS, JavaScript, React etc., with the series of projects, I gained experience with agile workflows, pair or group programming. Although my skills still green now, but I believes that I can be colorful in the web development industry in future.

From University and previous careers, I understand "the benefits by transforming and adopt PDCA cycle into your tasks", "the importance of work as team" and "work with satisfaction to external & internal customer".

SKILLS & ABILITIES

- JavaScript, HTML5, CSS3, React.js, Node.js, Redux, OOP, API's, Git, GitHub, Bootstraps, Experience with agile workflows, Pair programming experience.
- Basic Microsoft Word, Excel, PowerPoint, Outlook
- Category B GB Full Driving License
- English Writing, Typing and Speaking
- Cantonese Writing, Typing and Speaking
- More than 20 years working experience, especially in Sales and Services
- Strong Theory, Knowledge & Logical in Telecommunication & Computer
